

For the EU Declaration of Conformity to comply with the requirements, the following information must be included on the issued EU Declaration of Conformity (in addition to any other required guidelines):

EU Declaration of Conformity (No. XXXX)¹

1. Apparatus and/or product model/radio equipment/product (product, type, batch or serial number):
2. Name and address of the manufacturer or his authorised representative:
3. This declaration of conformity is issued under the sole responsibility of the manufacturer.
4. Object of declaration (identification of the apparatus/electrical equipment/radio equipment allowing traceability, it may include a colour image of sufficient clarity where necessary for the identification of the apparatus/electrical equipment/radio equipment):
5. The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

Directive 2014/30/EU (EMC) and where applicable Directive 2014/35/EU (Safety)

or

Directive 2014/53/EU (RED)

(as well as any other Union harmonization legislation)

6. References to the relevant harmonised standards used, including the date of the standard, or references to the other technical specifications, including the date of the specification, in relation to which conformity is declared. References must be listed with their identification number and version and, where applicable, date of issue:
7. Where applicable (apply for RED and EMC-D) - The Notified Body ... (name, number) performed ... (description of intervention) and issued the EU-type examination certificate: ...
8. Where applicable (apply only for the RED) – Description of accessories and components, including software, which allow the radio equipment to operate as intended and covered by the EU declaration of conformity:
9. Additional information:

Signed for and on behalf of:

(place and date of issue):

(name, function) (signature):

¹ It is optional for the manufacturer to assign a number to the EU declaration of conformity.
