Expiring safety standards

EN60065 & EN60950-1

We would like to inform, that the safety standards **EN60065 and EN60950-1** will be replaced by **EN62368-1** (PKM is accredited for this standard) by **20. December 2020**. All new products, which belongs to the product group "Audio/video, information and communication technology equipment", and placed to the European market, must comply with the requirements of EN62368-1 from this date.

Therefore, **from now on** we are using EN62368-1 for the a.m. product group as test standard!

If you have any further questions, please don't hesitate to contact us via E-Mail info@pkm.eu.com or via phone call +49 8732 / 6381.
